Many of the common household items listed above can be very hazardous. Heat can quickly build up inside the containers that your items will be transported in and this could potentially trigger an explosion or fire, that can not only cause serious damage to a shipment, but endanger the lives of passengers and transporters as well.

Dachser & Kolb GmbH & Co. KG crews and agents are trained not to pack or load any articles that are considered hazardous or restricted. For everyone's safety, please make sure none of the items on our list above are packing in your shipment. In addition, if your shipment includes any items that have been packed by you, e.e. "packed by owner" (PBO), Dachser & Kolb GmbH & Co. KG's crew will need to open and inspect each of these items before they can be accepted for transport.

Should you have any questions throughout the packing and loading process, please contact our office. I certify that I have read and understand the above information that has been provided to me by Dachser & Kolb GmbH & Co. KG.

Date, Shippers Signature

*Please note: Violators may be subject to fines / additional charges. Dachser & Kolb GmbH & Co. KG and agents are authorized to remove any of the above stated items if they are packed. If these items need to be removed, said items will not be claimable on insurance. In addition, please make sure to be aware of your destination country's Custom Guidelines for prohibited items (i.e. food items, adult material, electronics, etc.) when you are preparing your shipment.
